

## Session Program

14-17 Oct 2008

## CLIC08 Workshop

### ***Technical Issues, Integration & Cost Wkg***

CERN, 500/1-001 - Main Auditorium

# Wednesday 15 October

08:30

## Technical Issues, Integration & Cost Wkg

Session | Location: CERN, 61/1-007 - Room B

### 08:30–08:35 Introduction

#### Speakers

Dr Germana Riddone, Roger Ruber

### 08:35–08:55 Module Layout and Main Requirement

#### Speaker

Dr Germana Riddone

### 08:55–09:05 Discussion

### 09:05–09:15 Requirements for Main Linac Magnets

#### Speakers

Daniel Schulte, Roger Ruber

### 09:15–09:25 Preliminary design of a quadrupole for the stabilization bench

#### Speaker

Mr Thomas Zickler

### 09:25–09:35 Discussion

### 09:35–09:55 Structure Fabrication and Assembly Tolerances

#### Speaker

Riccardo Zennaro

### 09:55–10:05 Discussion

### 10:05–10:30 Coffee break

### 10:30–10:50 Module Instrumentation

#### Speaker

Lars Soby

### 10:50–11:00 Discussion

### 11:00–11:20 Test Module in the Two Beam Test Stand

#### Speakers

Jouni Juhani Huopana, Nasir Abbas

### 11:20–11:30 Discussion

### 11:30–11:50 PETS Integration for TBL

**Speaker**

Dr Fernando Toral

11:50–12:00 **Discussion**12:00–13:30 **Lunch break**13:30–13:50 **Long Transfer Line****Speaker**

Bernard Jeanneret

13:50–14:00 **Discussion**14:00–14:20 **CLIC Tunnel Layout and Cross-Section****Speaker**

John Andrew Osborne

14:20–14:30 **Discussion**14:30–14:50 **Cooling and Ventilation in the Tunnel****Speaker**

Christophe Martel

14:50–15:00 **Discussion**15:00–15:20 **Module Integration****Speaker**

Alexandre Samoshkin

15:20–15:30 **Discussion**15:30–15:50 **Transport of the CLIC Modules and Elements****Speaker**

Keith Kershaw

15:50–16:00 **Discussion**16:00–16:15 **Coffee break**16:15–16:35 **ILC Underground Consideration****Speaker**

Victor Kuchler

16:35–16:45 **Discussion**16:45–17:05 **Dubna Siting and ILC Activity at JINR****Speaker**

Grigori Shirkov

17:05–17:15 **Discussion**

17:15-17:35 **Safety Issue for Underground Structure**

**Speaker**  
Fabio Corsanego

17:35-17:45 **Discussion**

17:45-18:00 **Simulation on radiation levels in the tunnel**

**Speaker**  
Dr Thomas Otto

18:00-18:10 **Discussion**

18:10-18:25 **Discussion on Common ILC/CLIC Note on Tunnel Safety**

**Speaker**  
Hans Braun

18:45
