## RF Structure & Sources Wkg

Session | Location: CERN, 503/1-001 - Council Chamber

10:30-10:50 **Structure Fabrication Status: KEK Structure Development**

**Speaker**

Toshiyasu Higo

10:50-11:00 **Discussion**

11:00-11:20 **Structure Fabrication Status: KEK Special Test Structure Fabrication**

**Speaker**

Yasuo Higashi

11:20-11:30 **Discussion**

11:30-11:50 **Structure Fabrication Status: SLAC**

**Speaker**

Dr Juwen Wang

11:50-12:00 **Discussion**

12:00-12:20 **Structure Fabrication Status: Master Schedule + CLIC Activities**

**Speaker**

Dr Germana Riddone

12:20-12:30 **Discussion**

12:30-14:00 **Lunch break**

14:00-14:20 **High-Power RF Tests Results: KEK**

**Speaker**

Toshiyasu Higo

14:20-14:30 **Discussion**

14:30-14:50 **High-Power RF Tests Results: SLAC1**

**Speaker**

Chris Adolphsen

14:50-15:00 **Discussion**

15:00-15:20 **High-Power RF Tests Results: SLAC2**

**Speaker**

Prof. Sami Tantawi

15:20-15:30 **Discussion**

15:30-15:50 **High-Power RF Tests Results: 30 GHz**

**Speaker**  
Steffen Doebert

15:50-16:00 **Discussion**

16:00-16:30 **Coffee break**

16:30
