

Session Program

2-3 Jun 2014

Advanced Control Engineering: Academia - Industry

Model-Based Predictive Control applied to the LHC magnets temperature control

CERN, 31/3-004 - IT Amphitheatre

Monday 2 June

14:45

15:05

Model-Based Predictive Control applied to the LHC magnets temperature control

Session | **Location:** CERN, 31/3-004 - IT Amphitheatre | **Convener:** Dr Enrique Blanco Vinuela
