# Wednesday 9 July

09:00

## Centrality in pA collisions

**Session** | **Location:** Other Institutes, PA1, Instituto Superior Técnico, Universidade Técnica de Lisboa

09:00–09:10 **Welcome**

09:10–10:00

### Centrality dependent measurements, centrality determination and biases

**Speaker**

Marco Van Leeuwen

10:00–10:30

### Correlation between centrality selection and hard probe measurements

**Speaker**

Doga Can Gulhan

10:30–11:00 **Coffee**

11:00–12:30 **Discussion**

**Speaker**

Nestor Armesto Perez
