

Welcome to Berkeley!

**Christian Bauer, Beate Heinemann
and
Michelangelo Mangano**

Information: Food/Drinks

- **Welcome drink tonight at ~5.30 pm**
 - **Bus will take everyone down at 8pm**
 - **You can walk also: ~20-30' walk downhill**
 - **Check out list of restaurants that we circulated**
- **BBQ tomorrow**
 - **Bus will take everyone down again**
- **Lunch**
 - **Reserved room downstairs in cafeteria**
 - **Take little staircase down right behind cashiers**
- **Registration**
 - **Tami and Olga right in front of this room**

Information: Computing

- **Open wireless available**
 - **Let us know if you have any trouble with it**
 - **May be slow if everyone connects**
- **Limited number of power chords.**
 - **We'll try to find more**
- **Little room next door available for concentrated work/discussions**

Information: Science

- **Scientific Agenda**
 - **Today:**
 - **Tevatron results**
 - **Tomorrow:**
 - **Theoretical advances/predictions**
 - **Friday:**
 - **More theoretical advances/predictions**
 - **LHC outlook**
- **We allocated loose time restrictions but tried to allocate lots of time for discussions**
 - **Please go ahead and post extra slides if you like**
 - **They can be brought up during discussion times**
 - **Password “bwhc”**

Ok, let's start...
