

7th International Conference on
**Quarks and Nuclear
Physics**

Contribution ID: 91

Type: **not specified**

**A study of the new resonance $\Lambda_c(2940)$ in the
 $p \bar{p} \rightarrow p D^0 \bar{\Lambda}_c(2286)$ annihilation
reaction with a hadronic molecule scenario**

Tuesday 3 March 2015 14:45 (20 minutes)

Presenter: DONG, Yubing (Chinese Academy of Sciences)

Session Classification: Session B
