

MPI @ LHC 2014

6th International Workshop on Multiple Partonic Interactions at the LHC

3-7 November, 2014 - Kraków, Poland

TOPICS

Underlying event
Double-parton scattering
MPI and small x
and diffraction
MPI in collisions with nuclei

Abstract submission deadline

30 September 2014

Information and registration

<http://indico.cern.ch/e/MPI2014>

Local organising committee

Antoni Szczurek, Krzysztof Kutak,
Rafał Maciuła, Rafał Staszewski,
Maciej Trzebiński

International advisory board

Paolo Bartalini - *China Central Normal University, CCNU*
Jonathan Butterworth - *UC London*
Markus Diehl - *DESY*
Livio Fanò - *University of Perugia; INFN*
Richard Field - *University of Florida*
Hannes Jung - *DESY*
Judith Katzy - *DESY*
Frank Krauss - *IPPP Durham*
Krzysztof Kutak - *IFJ PAN, Kraków*
Stefano Lami - *CERN*
Michelangelo Mangano - *CERN*
Arthur Marques Moraes - *CBPF, Brazilian Centre for Physics Research*
Andreas Morsch - *CERN*
Zoltan Nagy - *DESY*
Giulia Pancheri - *INFN Frascati Nat. Lab.*
Michael Schmelling - *MPI for Nuclear Physics, Heidelberg, MPIK, Heidelberg*
Torbjorn Sjostrand - *Lund University*
Peter Skands - *CERN; Monash University*
Yogendra Srivastava - *Northeastern University*
Mark Strikman - *Pennsylvania State University*
Antoni Szczurek - *IFJ PAN, Kraków; University of Rzeszów*
Daniele Treleani - *Trieste University*
Pierre van Mechelen - *University of Antwerp*
Nick van Remortel - *University of Antwerp*

Institute of Nuclear Physics
