### Soft and hard diffraction (09:00 - 13:00)

-Conveners: Jesus Guillermo Contreras Nuno; Joakim Nystrand; Rainer Schicker

time	[id] title	presenter
09:00	[45] ALICE status and perspectives on diffraction in pp-collisions	SCHICKER, Rainer
09:25	[47] CMS status and perspectives photoproduction and diffractive processes in pp, pA and AA-collisions	Dr MALEK, Magdalena
10:00	[49] LHCb status and perspectives photoproduction and diffractive processes in pp, pA and AA-collisions	JOHNSON, Daniel
10:30	Coffee/tea	
10:55	[50] Diffraction at HERA: Diffractive structure functions and dijets	LOBODZINSKA, Ewelina Maria
11:30	[51] Diffractive factorization and diffractive PDFs	PASECHNIK, Roman
12:05	[52] Summary of LHC working group on forward physics	FIGUEIREDO, Diego
12:35	[53] ALICE status and perspectives for photoproduction measurements	SCAPPARONE, Eugenio
