

Session Program

14-25 Jul 2014

2nd Summer School on INtelligent signal processing for FrontIER Research and Industry

Eighth Morning Session

University Paris-Diderot, Paris, France, BioPark Auditorium and Physics Department, Building Condorcet

Wednesday 23 July

10:00

Eighth Morning Session

Session | **Location:** BioPark Auditorium

10:00–11:00 **Front-End Multiplexing**

Speaker

Dr Damien Prele

Location

BioPark Auditorium

11:00–11:30 **Coffee Break**

11:30–13:00

Radio Aperture synthesis as a practical example of sparse signal reconstruction

Speaker

Dr Julien Girard

Location

BioPark Auditorium

13:00
