

Preliminary results on proton irradiated LGAD PAD detectors

Friday 13 June 2014 11:00 (20 minutes)

We will present the latest measurements of LGAD diodes performed with TCT laser (red and infra-red) and the preliminary measurements of LGAD PAD detectors irradiated with protons at Los Alamos.

Author: Dr GRECO, Virginia (IMB-CNM-CSIC)

Co-authors: PELLEGRINI, Giulio (Centro Nacional de Microelectrónica (IMB-CNM-CSIC) (ES)); FERNÁNDEZ--MARTÍNEZ, Pablo (IMB-CNM-CSIC); HIDALGO VILLENA, Salvador (Universidad de Valencia (ES))

Presenter: Dr GRECO, Virginia (IMB-CNM-CSIC)

Session Classification: Session 4 - Sensors with intrinsic gain - LGAD
