CERN, Users’ Office Head (D. Chromek-Burckhart)

- To follow-up the progress of the new collective health insurance project for Users to cover for the financial consequences of private and professional accidents.

CERN, PH Department (J. Salicio Diez)

- To investigate increasing the number of places for bicycle parking and to report at the ACCU meeting in September 2014.

CERN, GS Department (L. Miralles, R. Martens)

- To prepare a proposal mitigating the issues of school classes in the CERN Hostel, and adapting the booking rules and the code of conduct accordingly.

ACCU Delegates

- To remind and to inform their community on the responsibility of Users to return French and Swiss cards as well as green number plates at the end of their contract and the consequences of a delayed or no-return of these documents.
