

Session Program

13-15 May 2008

2nd Collaboration Meeting on X-band Accelerator Structure Design and Test- Program

Structure design (2)

KEK, Building No.4 Seminar hall
Tsukuba, Japan

Tuesday 13 May

14:00

Structure design (2)

Session | **Location:** KEK, Building No.4 Seminar hall, Tsukuba, Japan

14:00-14:20

Damping and detuning the wake-field in CLIC X-band structures

Speaker

Dr Roger Jones

14:20-14:40

Development of single-cell accelerating structures

Speaker

Dr Valery Dolgashev

14:40-14:55

Discussion on design

Speaker

Toshiyasu Higo

14:55
