

## **Session Program**

**1-3 Sept 2008**

## **1st ECFA-CERN LHeC Workshop**

### ***Low x ep and eA Physics at LHC and LHeC***

Divonne-les-Bains, France  
Hôtel L'Esplanade

## Tuesday 2 September

16:30

### Low x ep and eA Physics at LHC and LHeC

Session | Location: Divonne-les-Bains, France, Barbilaine, Hôtel L'Esplanade

16:30-16:50 **Low x QCD with protons and nuclei at LHC**

**Speaker**

David d'enterria

16:50-17:10 **What to expect on low x from ATLAS**

**Speaker**

Mario campanelli

17:10-17:30 **From ep to AB Collisions**

**Speaker**

Néstor armesto

17:30-17:50 **Prompt photons as a tool for nuclear PDFs**

**Speaker**

Francois arleo

17:50-18:50 **Concluding discussion and plans on low x**

19:00
