

**Session Program**

**21-23 Oct 2014**

**ECFA High Luminosity LHC Experiments  
Workshop - 2014**

***Gaseous Detectors***

## Wednesday 22 October

14:00

### Gaseous Detectors

**Session** | **Location:** | **Conveners:** Oliver Kortner, Marcello Abbrescia

14:00–14:10 **Motivation and role of gaseous detectors at HL-LHC**

**Speaker**

Christian Lippmann

14:15–14:30 **RPCs for High Radiation Environments**

**Speaker**

Rinaldo Santonico

14:35–14:55 **Precision Micro-Pattern Gaseous Detectors for Large Areas**

**Speaker**

Archana Sharma

15:00–15:15 **Wire Detectors for Triggering and Tracking at HL-LHC**

**Speaker**

Giacomo Graziani

15:20–15:30 **Trends and Synergies in gaseous detectors R&D**

**Speaker**

Marcello Abbrescia

15:35
