

Linacs

Thursday, 25 September 2014 09:00 (15 minutes)

The consolidation requests for Linacs 2 and 3 will be summarised and prioritised, as well as the requests for the transfer line between Linac2 and the PSB which will be reused for Linac4 beams in the future.

Presenter: SCRIVENS, Richard

Session Classification: Session 7 - Accelerators and non LHC Experiment Areas Consolidation up to LS3
