

PERFORMANCE

TRACKING & GEOMETRY

- Review of profiling results from various simulations
 - Where are we ? Where we can improve ?
- Interaction of EM physics processes with geometry
- Presentation in plenary session (Friday, 10:30)
 - *Profiling Geant4 application on 64 bits architectures - R.Jurga*
- Short presentations (Wednesday, 17:00-18:10):
 - *Profiling simulation in ATLAS - M.Asai*
 - *Usage of geometry modeler functionalities in EM processes - V.Ivantchenko*
