

# Welcome

# pre-GDB / Morning Session

Jeff Templon

2015.03.10

J. Templon  
Nikhef  
Amsterdam  
*Physics Data Processing  
Group*

# logistics

- Lunch is provided
- Dinner tonight “on your own” ... Tempo Doeloe is time-honored favorite, check [en.iens.nl](http://en.iens.nl) for other suggestions

# Sessions

- Afternoon on cloud issues
- Morning session co-organized with NLeSC
- Introduce NLeSC to HEP and HEP to NLeSC; investigate project synergies with Astronomy

# “sustainable fusion”

1 JAN 2013

- Leadership  
- Money  Ministerie van Economische Zaken  Ministerie van Onderwijs, Cultuur en Wetenschap
- Part of a “constellation” including  , SURFsara Super, &  center

**NO  
LONGER  
PROJECT  
BOUND!!**

No official name yet for the organization...  
Nederlands Einfrastructuur voor Onderzoek (NEOn)?

Current favorite: “DNI” ... either  
De Nationale Infrastructuur or  
Dutch National Infrastructure
