experiment logo here

- Clearly there is a lot of building work going on, but I hope we still have a good meeting
 - Breakfast etc in the Barn, up the hill from the main meeting
 - Tea and coffee is brought to us

- The weather is not entirely under our control, although the weather forecast for tomorrow afternoon and evening is improving
- However, we can arrange taxis to and from the dinner (we have 2x8 seat taxis on stand by) 18:30-19:30, 21:15-22:00
 - We would like an indication of how many people will use them so we can let them know today
 - Please put your name on the doodle if you will want a taxi
 - <http://doodle.com/q84re2kegym8bnkm>
- If there are takers for a Thursday afternoon trip to Hawkshead (shops, a few nice pubs) let me know

Other options on Thursday

- There is a 14:10 steamer from Ambleside to Lakeside
 - Lakeside has stream trains & an (indoor) Aquatic museum
- There is a 13:50 & 15:10 launch to Brockhole
 - Lake district Visitor Centre, gardens, grand house, tearoom
- Ferrys can be booked online, the jetty is at Waterhead, at the south end of Ambleside

GridPP

UK Computing for Particle Physics

But it's worth getting into the hills!
