

Session Program

28-30 Jul 2015

Reflections on the atomic nucleus

New vistas of nuclear structure

Wednesday 29 July

14:00

New vistas of nuclear structure

Session | **Location:** Chadwick Lecture Theatre | **Convener:** Rafał Broda

14:00–14:25

Exploring yrast structures in neutron-rich nuclei with deep-inelastic collisions

Speaker

Bogdan FORMAL

14:25–14:50

New developments in nuclear DFT

Speaker

Jacek Dobaczewski

14:50–15:15

Precision Measurements of Nuclear Ground-state Properties for Nuclear Structure, Astrophysics and Fundamental Studies

Speaker

Klaus Blaum

15:15
