## Aspects of nuclear collectivity II

Session | Location: Chadwick Lecture Theatre | Convener: Doug Cline

09:15–09:40

### Measurement of $B(E3; 0 - 3-)$ strength in strongly octupole correlated nuclei near $^{224}\text{Ra}$

**Speaker**

Marcus Scheck

09:40–10:05

### Octupole correlations beyond the mean field

**Speaker**

Luis Robledo

10:05–10:30

### Dual quantum liquid picture of nuclei and its implication to reflection asymmetry

**Speaker**

Takaharu Otsuka

10:30
