

Session Program

28-30 Jul 2015

Reflections on the atomic nucleus

Nuclear structure & fundamental physics

Wednesday 29 July

16:00

Nuclear structure & fundamental physics

Session | **Location:** Chadwick Lecture Theatre | **Convener:** Lorenz Willmann

16:00–16:25 **Nuclear physics with ion traps**

Speaker

Juha Äystö

16:25–16:50

Constraining the Neutrinoless Double Beta Decay Matrix Elements using Transfer Reactions

Speaker

Sean Freeman

16:50–17:15 **Probing beyond-‘Standard-‘Model physics at low energy**

Speaker

Tim Chupp

17:15
