

Session Program

26-28 Nov 2014

**Workshop on Special Compact and Low
Consumption Magnet Design**

***2nd Session: Opportunities of Energy Saving
in Accelerators - Part 1***

CERN, 30/7-018 - Kjell Johnsen Auditorium

Wednesday 26 November

11:00

2nd Session: Opportunities of Energy Saving in Accelerators - Part 1

Session | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium | **Convener:** Peter-Jurgen Spiller

11:00-11:30 **CERN plans towards energy efficiency**

Speaker

Serge Claudet

11:30-12:00

Magnet Energy Recovery: a way towards more compact and efficient systems

Speaker

Konstantinos Papastergiou

12:00-12:30 **Saving opportunities in accelerator magnets**

Speaker

Davide Tommasini

12:30
