

## **Session Program**

**26-28 Nov 2014**

### **Workshop on Special Compact and Low Consumption Magnet Design**

#### ***3rd Session: The saving prospects in European Labs, projects and machine upgrades - Part 2***

CERN, 30/7-018 - Kjell Johnsen Auditorium

## Thursday 27 November

09:00

### 3rd Session: The saving prospects in European Labs, projects and machine upgrades - Part 2

**Session** | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium | **Convener:** Jim Clarke

09:00–09:30

#### The PSI experience: A theory of evolution

**Speaker**

Alexander Gabard

09:30–10:00

#### CERN experience on PM based magnet design and procurement

**Speaker**

Pierre Alexandre Thonet

10:00
