

Enabling Grids for E-scienceE

# VO Management

*EGEE08 Conference*

[www.eu-egee.org](http://www.eu-egee.org)

- Are you happy with the infrastructure ?
- Are you missing anything ?
- Do you feel any broadcast should be sent when your VO Id card is updated ?
- Do you delete outdated entries in your voms servers ?
- Do you know each of your users ? (i.e : is there a procedure in place when a new registration request comes ?)
- How do you deploy your software onto EGEE sites ?
- Do you monitor your software (version) on EGEE sites ?
- Are you aware there is application porting support offered by NA4 ?

- **Do you monitor your grid usage (accounting) ?**
- **Do you need VO wide, groups, role or user level accounting ?**
