

Contribution ID: 132

Type: Course

Transport properties in dense matter and neutron star evolution

Wednesday 25 March 2015 09:00 (1 hour)

Transport properties in dense matter and neutron star evolution

Author: Prof. STEINER, Andrew (UTK/ORNL)

Presenter: Prof. STEINER, Andrew (UTK/ORNL)

Session Classification: Steiner

Track Classification: Hadronic and quark matter - applications in astrophysics
