

Contribution ID: 130

Type: **Course**

Complex Langevin dynamics as a solution to the sign problem

Thursday 26 March 2015 09:00 (1 hour)

Complex Langevin dynamics as a solution to the sign problem

Author: Prof. AARTS, Gert (Swansea University)

Presenter: Prof. AARTS, Gert (Swansea University)

Session Classification: Aarts

Track Classification: Lattice QCD - methods and results
