

Session Program

16-17 Jun 2014

Technical meeting on T600 developments
***Development on scintillation and Cerenkov
light collection signals (ICARUS+CERN)***

CERN, 864/1-C02 - indisponible a partir du 24/04/2017

Monday 16 June

16:45

Development on scintillation and Cerenkov light collection signals (ICARUS+CERN)

Session | **Location:** CERN, 864/1-C02 - indisponible a partir du 24/04/2017

16:45-17:15 Cerenkov and scintillation light signals

Speaker

Alessandro Menegolli

17:15-17:30 New solutions for light detection system: preliminary tests

Speaker

Chiara Vignoli

17:30-18:00 New proposed SiPM set-ups

Speaker

GianLuca Raselli

18:00-18:30 Discussions and sharing of responsibilities (ICARUS+CERN)

18:30
