

Session Program

16-17 Jun 2014

Technical meeting on T600 developments

Possible increases of the T600 maximum drift distance and preliminary considerations of new aluminium vessels

CERN, 864/1-C02 - indisponible a partir du 24/04/2017

Monday 16 June

14:30

Possible increases of the T600 maximum drift distance and preliminary considerations of new aluminium vessels

Session | **Location:** CERN, 864/1-C02 - indisponible a partir du 24/04/2017

14:30-15:30

Increase of the T600 maximum drift distance and preliminary considerations for larger Aluminum vessels

Speaker

Dr Claudio Montanari

15:30-16:00

Space charge effects in the LAr-TPC

Speaker

Dr Francesco Pietropaolo

16:00-16:30

Discussions (ICARUS+CERN) and sharing of responsibilities

16:30
