

Session Program

26-31 Jul 2015

**Second conference on heavy ion collisions in
the LHC era and beyond**

Opening Session

Quy Nhon, Vietnam
International Center of Interdisciplinary Science Education (ICISE)

Monday 27 July

09:00

Opening Session

Session | **Location:** Quy Nhon, Vietnam, International Center of Interdisciplinary Science Education (ICISE)

09:00–09:30 **Conference opening**

09:30–10:00 **Coffee break and late registration**

10:00–10:45 **The discovery of quarks**

Speaker

Prof. Jerome I. Friedman

10:45–11:00 **Break**

11:00–11:45

Pure Gluon Plasma and the first order phase transition to the glueball fluid at RHIC and LHC

Speaker

Prof. Horst Stoecker

12:30
