

**Session Program**

**Jul 26 - 31, 2015**

**Second conference on heavy ion collisions in  
the LHC era and beyond**

***Opening Session***

Quy Nhon, Vietnam  
International Center of Interdisciplinary Science Education (ICISE)

# Mon, July 27

9:00 AM

## Opening Session

**Session** | **Location:** Quy Nhon, Vietnam, International Center of Interdisciplinary Science Education (ICISE)

9:00 - 9:30 AM **Conference opening**

9:30 - 10:00 AM **Coffee break and late registration**

10:00 - 10:45 AM **The discovery of quarks**

**Speaker**

Prof. Jerome I. Friedman

10:45 - 11:00 AM **Break**

11:00 - 11:45 AM

**Pure Gluon Plasma and the first order phase transition to the glueball fluid at RHC and LHC**

**Speaker**

Prof. Horst Stoecker

12:30 PM
