

Session Program

Jul 26 - 31, 2015

**Second conference on heavy ion collisions in
the LHC era and beyond**

Future facilities

Quy Nhon, Vietnam
International Center of Interdisciplinary Science Education (ICISE)

Fri, July 31

2:00 PM

Future facilities

Session | **Location:** Quy Nhon, Vietnam, International Center of Interdisciplinary Science Education (ICISE)

2:45 PM

2:00 - 2:45 PM

Physics at A Fixed-Target Experiment at the LHC: AFTER@LHC

Speaker

Jean-Philippe Lansberg
