

LHCb workshop on quantum interference effects, QCD measurements and  
generator tuning

Contribution ID: 4

Type: **not specified**

**Blast-wave model and HBT radii in pp collisions at  
LHC**

*Tuesday 21 October 2014 14:00 (45 minutes)*

**Presenter:** BIALAS, Andrzej (Jagellonian U., Cracow, Poland)

**Session Classification:** Bose-Einstein and Fermi-Dirac correlations
