

Share your drink - Social event

Wednesday 17 June 2015 18:00 (3 hours)

Wednesday 17th the traditional “drink sharing” will take place in form of “share an apero”. The event will take place in the main hall of the Uni Mail building (University of Geneva). This aperitif is a unique chance to network with your workshop colleagues and to bring along some special drinks representing your region or your country. Following the aperitif participants are suggested to gather in groups and “land” in one of the many Geneva restaurants for dinner.
