Some statistics – HST Programme

Sum of NTP

- Status
- Observer State
 - Member State
 - Associate Member State
 - Applicant State
 - Other

Year

- new education group
 - DG-EDU
- new structure for CERN Teacher Programmes
 - all official programmes concerned: HST/NTP
- national teacher programmes are based on tight cooperation
 - National Contacts
 - at CERN
 - in the respective country
 - DG-EDU
- resources are scarce and need coordination
 - conference rooms
 - hostel rooms
 - places in visits
 - your time
 - ... you name it!

Why are you here?

- Official CERN Teacher Programmes
 - run jointly by national contacts and DG-EDU (NTP) or by DG-EDU directly (e.g. HST)
 - budget from DG-EDU
 - welcome evening
 - course dinner a.k.a. Fondue Night
 - goodies to take home
 - for new countries some help financial participation can be negotiated
 - limited in time
 - for countries whose teachers are in need
 - use of DG-EDU facilities (e.g. S'Cool LAB)
 - use of CERN hostels possible
- **not** other programmes
 - considered as private visits programmes
 - standard duration (supported by visits service) 0.5 days
 - no CERN hostel available
 - no participation certificate from CERN
 - no budget from DG-EDU available

Which programmes are we talking about?

Teacher Programmes

There are 16 events in the *future*. [Show them.](#)
