

The 2nd International Conference on the Initial Stages in High-Energy Nuclear Collisions

Thursday, 4 December 2014

Thursday AM-2 (11:05 - 13:10)

-Conveners: Barbara Jacak

time	[id] title	presenter
11:05	[21] Impact of fluctuations of IS for system evolution	Dr OLLITRAULT, Jean-Yves
11:30	[24] Azimuthal Anisotropy Distributions	POSKANZER, Art
11:55	[117] Continuous description of fluctuating eccentricities	JEAN-PAUL, Blaizot
12:20	[23] Correlations between harmonics	Dr JIA, Jiangyong
12:45	[139] Hydro-fluctuations in heavy ion collisions and connections to their treatment in cosmology	WIEDEMANN, Urs
