

The 2nd International Conference on the Initial Stages in High-Energy Nuclear Collisions

Sunday, 7 December 2014

Sunday AM-1 (09:00 - 10:40)

-Conveners: Nestor Armesto Perez

time	[id] title	presenter
09:00	[45] Parton cascade description of ultrarelativistic heavy-ion collisions	GREINER, Carsten
09:25	[50] From End to beginning - Constraining the Initial State from Final-State Beginnings	PRATT, Scott
09:50	[47] "Trento" new fast IS generator	Prof. BASS, Steffen A.
10:15	[55] Initial State Bremsstrahlung versus Final State Hydrodynamics in pA Collisions	LEVAI, Peter
