

# Workshop on Cloud Services for File Synchronisation and Sharing

# Welcome!

\* We have modify ObjectStoreStorage to avoid oc-files and create our own Cache, because the not an interface implement.

**CERN 17-18  
November 2014**

<https://indico.cern.ch/event/336753/>  
 Abstract submission: 30 September  
 Registration: 31 October

ORGANISING COMMITTEE

Miguel Branco  
 Massimo Lamanna  
 Jakub T. Moscicki

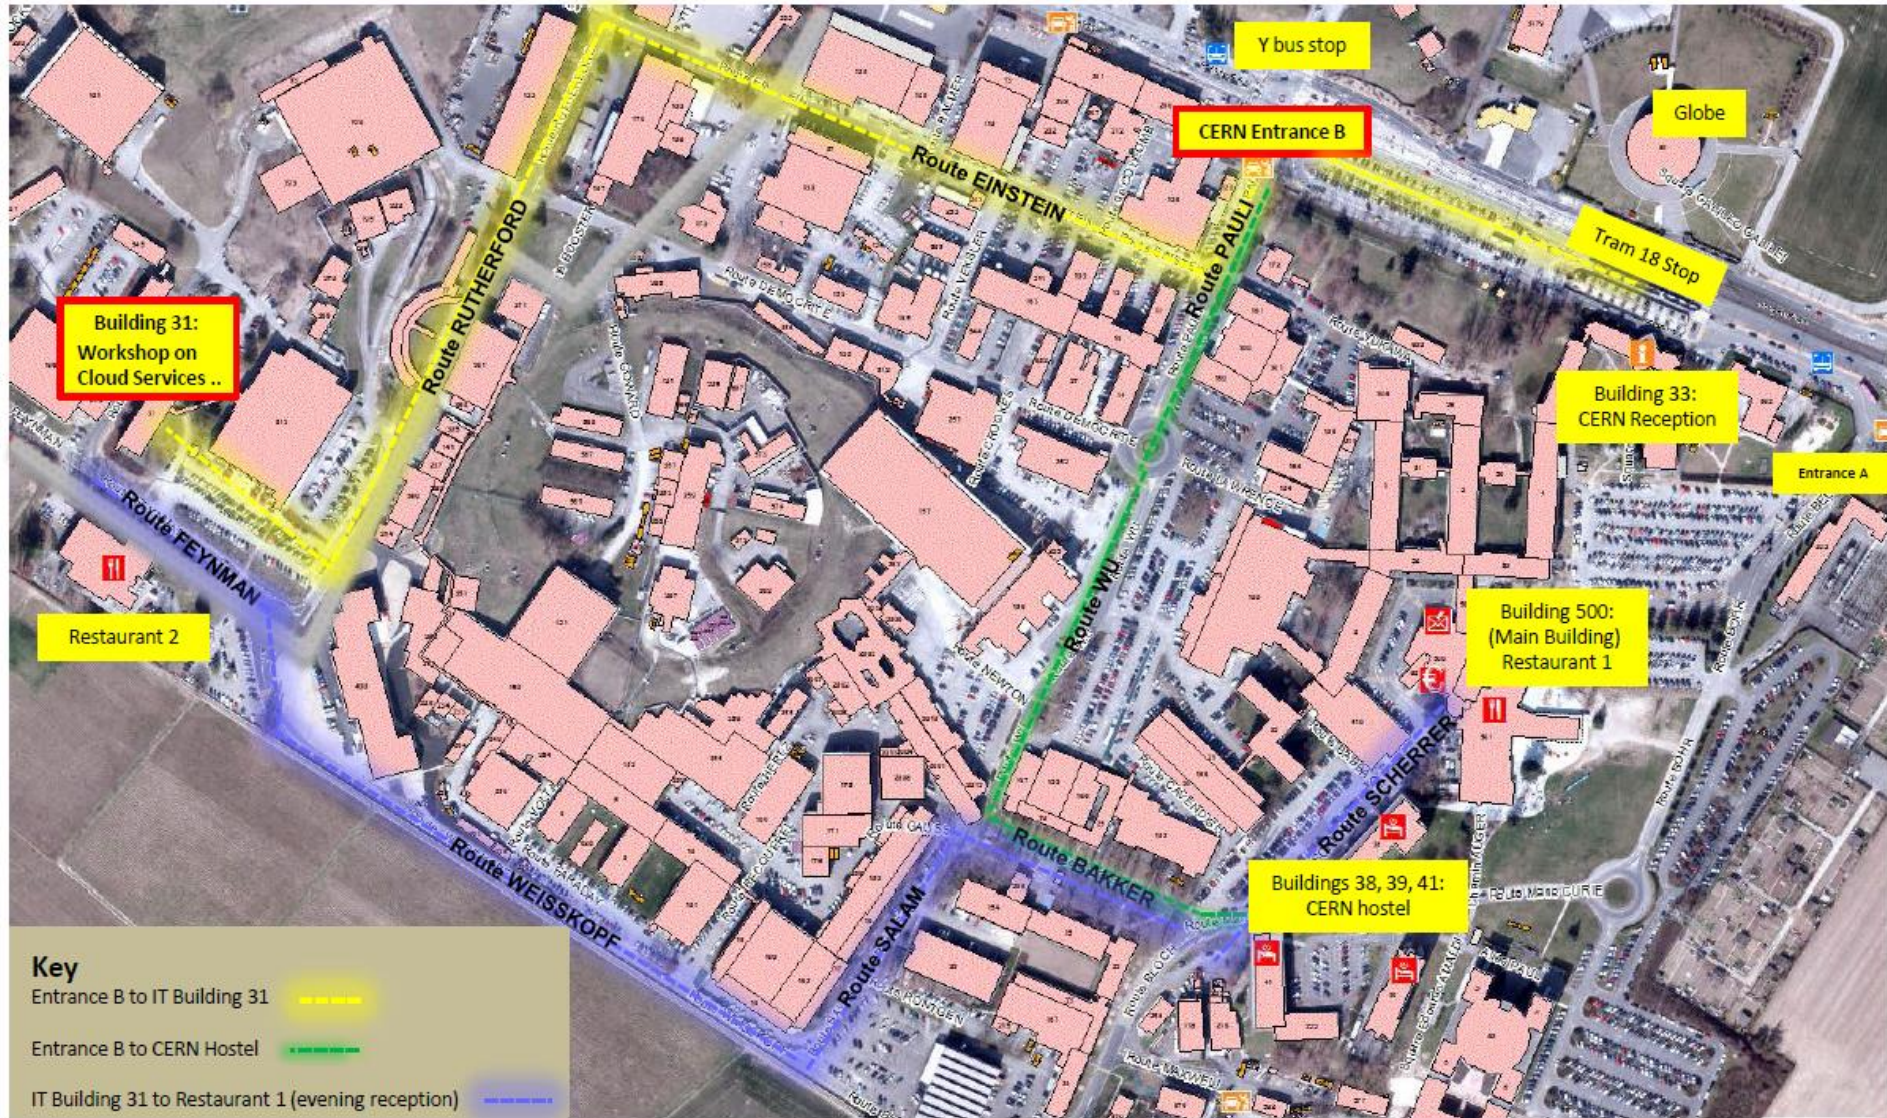

# How to get to Building 31 and the IT Amphitheatre - Workshop on Cloud Services for File Synchronisation and Sharing (17-18 November 2014)

1. Use Tram 18 (or bus Y) to get to CERN
2. Go to CERN Entrance B
3. Check-in with security guard – your name should be on the list of workshop participants
4. Walk to IT Building 31, then walk or take the elevator up to the 3<sup>rd</sup> floor, and to the IT Amphitheatre

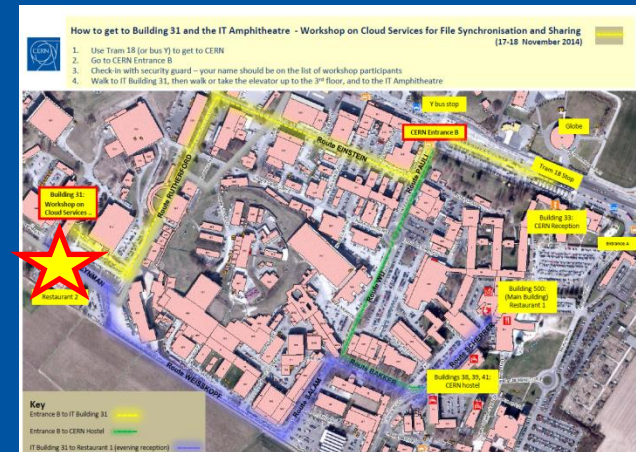

## Key

- Entrance B to IT Building 31
- Entrance B to CERN Hostel
- IT Building 31 to Restaurant 1 (evening reception)

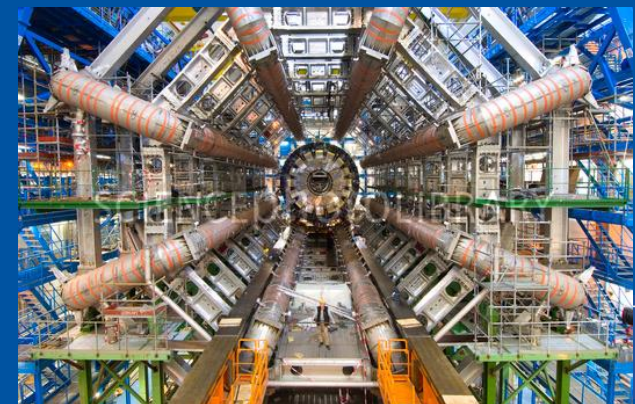

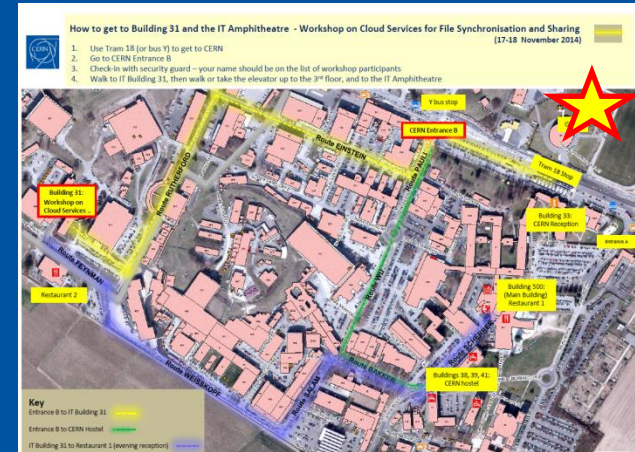

# Lunch and reception

- For those with lunch tickets
  - Restaurant #2
    - Cross the street
  - Use the ticket to pay
    - Upper floor: canteen
    - Ground floor: sandwiches, refreshments and coffee machines
  - You will get a token for the coffee machines
- Reception:
  - Restaurant #1
    - Next to the Hostel area
  - 19:30

# ATLAS visit

- You will be “guided” by one of us
  - Walking down next to CERN Globe (meeting point)
  - Please note: >16yrs; no pregnant ladies; no pacemakers holders; flat closed shoes
- You will not have the time for a “regular” lunch
  - You can use your lunch ticket to buy a sandwich and a drink

# Speakers

- Please upload your talk on the conference site before your session starts...
  - Really tight schedule!
- Most of the talks will be:
  - Webcast in real time
  - Recorded for offline access
- One-stop site for all info, presentations:
  - <https://indico.cern.ch/event/336753/>

The screenshot shows the Indico event page for the "Workshop on Cloud Services for File Synchronisation and Sharing". The event is scheduled for 17-18 November 2014 at CERN, Europe/Zurich timezone. A search bar is visible in the top right. A sidebar on the left contains navigation links: Overview (selected), Scientific Programme, Timetable, Important Dates, Accomodation, Wi-Fi on the CERN site, Social programme, Practical information, and Support. The main content area features the event title, the date "CERN Nov 17-18 2014", and two paragraphs of text. The first paragraph states the objective: to share experiences and progress for technologies and services in cloud storage file synchronization and file sharing. The second paragraph discusses cloud storage services for scientific and technical activities, allowing researchers to share, transfer, and synchronize files between their personal computers, mobile devices, and large scientific data repositories. The third paragraph notes that the workshop coincides with the launch of such a service at CERN, intended to serve the 10,000 physicist community. The final paragraph mentions that the workshop will review the state of the art technologies and evaluate the experience in running such services for technical and scientific communities, inviting participants to present their plans of concrete service implementations.

# Everyone

- Wi-Fi
  - <https://indico.cern.ch/event/336753/page/2>
  - EduRoam:
    - <http://information-technology.web.cern.ch/book/eduroam-visitors-cern>
  - Alternatively register your MAC address in advance:
    - <https://network.cern.ch/sc/fcgi/sc.fcgi?Action=VisitorRegistration>
- Receipts:
  - Contact Massimo
- Otherwise...
  - Do not hesitate to ask us...
