

Introduction to Accelerator and High Energy Physics

Sunday 28 September 2014 - Saturday 4 October 2014

CERN

Scientific Programme

Workshop organised for masters and doctoral students organised jointly by CERN, CNIR (Centre for National Intellectual Reserve, Moscow State University), and JINR (Joint Institute for Nuclear Research, Dubna).

This workshop is the 3rd in a series. Previous events were held in Astana, Kazakhstan (2009), CERN (2011).
