

Session Program

16-20 Nov 2009

HCP2009 - Hadron Collider Physics Symposium

Heavy Ions

Thursday 19 November

08:30

Heavy Ions

Session | Location:

08:30–09:05

HI physics at RHIC and theory

Speaker

Axel Drees

09:05–09:35

ALICE detector global status

Speaker

Werner Riegler

09:35–10:00

First HI at LHC - Inclusive production, correlations and heavy flavours

Speaker

Luciano Ramello

10:00–10:25

First HI at LHC - Hard probes (jets, photons, onia)

Speaker

Olga Kodolova

10:25
