

**Session Program**

**16-20 Nov 2009**

**HCP2009 - Hadron Collider Physics  
Symposium**

***Heavy Ions***

# Thursday 19 November

08:30

## Heavy Ions

Session | Location:

08:30-09:05 **HI physics at RHIC and theory**

**Speaker**  
Axel Drees

09:05-09:35 **ALICE detector global status**

**Speaker**  
Werner Riegler

09:35-10:00 **First HI at LHC - Inclusive production, correlations and heavy flavours**

**Speaker**  
Luciano Ramello

10:00-10:25 **First HI at LHC - Hard probes (jets, photons, onia)**

**Speaker**  
Olga Kodolova

10:25
