

**Session Program**

**12-13 Jan 2015**

**TOP LHC WG meeting**

***Top pair production***

CERN, 222/R-001

# Monday 12 January

09:00

## Top pair production

**Session** | **Location:** CERN, 222/R-001

09:00–09:20

### Introduction

09:20–10:00

### **ATLAS+CMS 8 TeV ttbar XS combination, status and plans for differential distributions**

**Speaker**

Maria Aldaya Martin

10:00–10:30

### **ATLAS+CMS top quark pair modelling uncertainties and correlations with single top**

**Speaker**

Dominic Hirschbuehl

10:30
