

# Paper Drafting

Ingrid-Maria Gregor  
DESY

JRA1 Meeting, Geneva May 22<sup>nd</sup> 2008

# Publication of Testbeam Data

- ❑ Testbeam data should be published as soon as possible
- ❑ TNS (paper submission after NSS conference) not the right journal
- ❑ NIM – Nuclear Instruments and Methods  
Editors: Klanner, Sauli, Parmigiani, Wehe
- ❑ Journal of Instrumentation (open access) looks interesting  
<http://www.iop.org/EJ/journal/jinst>
  
- ❑ What to do
  - ❑ Decide on outline of paper (use software meeting)
  - ❑ Draft paper (main editing: IMG)
  - ❑ Circulate it within JRA1
  - ❑ Submit as report to EUDET
  - ❑ Submit to journal
  - ❑ Timeline: to be decided
