

Version: 0.7		Date: 18/11/2014		Preliminary Annual Meeting Program										
Sunday	Monday (23.3)		Tuesday (24.3)			Wednesday (25.3)			Thursday (26.3)			Friday (27.3)		
	Registration	Welcome	FCC-hh Lattice Design & Optics	FCC-ee MDI	Novel SRF cavity concepts & cryomodules	Machine Configuration & Magnet Specs	FCC-hh Experiments	FCC-ee Lattice Design & Optics	Civil Engineering handling & transport	Magnet Design Options	Cryogenic Beam Vacuum System	Higgs & EW Symmetry Breaking	Summary FCC-hh collider	
		Plenary: study overview											Summary FCC-ee collider	
	Coffee Break		Coffee Break			Coffee Break			Coffee Break			Coffee Break		
	Plenary: Physics motivation and overview		FCC-hh Beam physics and technology	FCC-ee Physics studies & Simulations	Novel SRF cavity concepts & cryomodules	Conductor R&D	FCC-hh Experiments	FCC-ee EIR Design & MDI	Reliability, Energy, Controls, IT	Magnet Design Options	Beam Transfer Systems & Instrumentation	New Particle Discovery	Summary technologies	
	Plenary: Machine overview (hh, ee)												Summary experiments	
	Lunch		Lunch			Lunch			Lunch			Conclusions and outlook		
	Plenary: Infrastructure and Civil Engineering Overview		FCC-hh EIR Design & MDI	FCC-ee Detectors	Coating technologies for SRF cavities	Conductor R&D	FCC-hh Experiments	FCC-ee Beam-beam & Energy Calib.	Cryogenics, Safety	Magnet Design Options	Materials & Engineering Breakthroughs	QCS Studies	International Collaboration Board	
	Plenary: Magnet and RF overview												Summary physics & phenomenology	
	Registration	Coffee Break		Coffee Break			Coffee Break			Coffee Break			Coffee Break	
		Plenary: Special Technologies Overview		FCC-hh Injector Options & Design	FCC-ee Parameters, EIR & Detector Design	Higher Efficiency RF Power Generation	Magnet TBD	FCC-ee Physics Highlights	FCC-ee Injector & Booster Design	Infrastructure Technologies TBD	Magnet Cost Model	Magnet & Machine Protection	FCC Complementarities	EuroCirCol Coordination Committee
Teatime		Teatime			Teatime			Teatime			Break			
Plenary: Study organisation, governance, quality, documentation		Gender Equality working group	EuroCirCol schedule working group	Industry Fast Track	Communications working group	FCC-hh and FCC-ee parameter working group	Technologies R&D working group	Plenary: US Contributions			FCC International Steering Committee
