

# FCC Week 2015

## Thursday, March 26, 2015

### Beam Dump & Collimators: Materials & Engineering Breakthroughs - ROOM A (1:30 PM - 3:00 PM)

-Conveners: Olivier Brunner

time	[id]	title	presenter
1:30 P	[14]	Energy deposition challenges: What are the best materials for collimators?	LECHNER, Anton
2:00 P	[13]	Evolution and limits of the present collimation materials studies	BERTARELLI, Alessandro
2:30 P	[15]	State-of-the-art and future of additive manufacturing	FRANCE, Daniel
