

Session Program

27 April 2015 to 1 May 2015

DIS 2015

XXIII International Workshop on
Deep-Inelastic Scattering and
Related Subjects

Dallas, Texas
April 27 – May 1, 2015

**DIS 2015 - XXIII. International Workshop on
Deep-Inelastic Scattering and Related Subjects**

WG3+WG7 Joint Session

Wednesday 29 April

08:30

WG3+WG7 Joint Session

Session | Location: THEATER

08:30–08:55 **Precision Higgs Measurements at the LHeC**

Speaker

Uta Klein

08:55–09:20

"Flavor violating signatures of lighter and heavier Higgs bosons within Two Higgs Doublet Model type III at the LHeC

Speakers

Jaime Hernandez, Dr Jaime Hernández

09:20–09:45

Precision test of fundamental interactions with the ELBNF Near Detector

Speaker

Roberto Petti

09:45–10:10

Precision Measurements of Parity-Violation in Deep Inelastic Scattering using SoLID

Speaker

Rakitha Sanjeewa Beminiwattha

10:15
