

DIS 2015 - XXIII. International Workshop on Deep-Inelastic Scattering and Related Subjects

Thursday, 30 April 2015

WG6+WG7 joint session - THEATER (08:30 - 10:15)

| time | [id] title | presenter |
|-------|---|---------------------------|
| 08:30 | [297] SoLID-SIDIS: Future Measurements of Transverse Spin, TMDs and more | YE, Zhihong |
| 08:55 | [136] Polarized Drell-Yan measurements at Fermilab: The future of the SeaQuest experiment | Dr DIEFENTHALER, Markus |
| 09:45 | [147] Highlights from the (un)polarized e+p scattering program at an EIC | ASCHENAUER, elke-caroline |
