

Session Program

7-10 Apr 2015

Portoroz 2015: Particle Phenomenology From the Early Universe to High Energy Colliders

GUT

Portoroz, Slovenia, James Cook
Hotel Slovenija, Obala 33, 6320 Portoroz, Slovenia

Thursday 9 April

09:00

GUT

Session | **Location:** Portoroz, Slovenia, James Cook, Hotel Slovenija, Obala 33, 6320 Portoroz, Slovenia

09:00–09:23

Massive neutrinos and invisible axion minimally connected

Speaker

Dr Luca Di Luzio

09:23–09:46

Higher order effects in the minimal $SO(10)$ grand unification

Speaker

Michal Malinsky

09:46–10:09

Resurrecting the minimal renormalizable supersymmetric $SU(5)$ model

Speaker

Timon Mede

10:09–10:32

A minimal supersymmetric E_6 Unified Theory

Speaker

Vasja Susič

10:32
