

# LHC Seminar

SPEAKER: Tatsuya Masubuchi (University of Tokyo (JP))  
TITLE: **New ATLAS Higgs physics results**  
DATE: Tue 07/10/2014 11:00  
PLACE: Council Chamber

## ABSTRACT

New Higgs physics results from the ATLAS experiment using the full Run-1 LHC dataset, corresponding to an integrated luminosity of approximately 25 fb<sup>-1</sup>, of proton-proton collisions at 7 TeV and 8 TeV, will be presented.
