

ICNFP 2015 LAST CIRCULAR

Dear Colleague,

This is the **Last Circular** with practical information on the **4th International Conference on New Frontiers in Physics 2015** to be held in Orthodox Academy of Crete (OAC), Kolymbari, Crete, Greece, from August 23th to August 30th. Details can also be found in the conference website: <http://indico.cern.ch/event/icnfp2015>

SCIENTIFIC PROGRAMME

The scientific program of the conference can be found in the item "timetable" in the conference home page:

<http://indico.cern.ch/event/344173/timetable/#20150823.detailed>

For speakers: please check the day and time of your presentation and if you have any comments please let us know as soon as possible. There have been some recent changes to the program.

In each conference room there will be a computer (Windows, Linux or Mac) connected to a projector with standard software installed. We recommend using PDF format for the presentation and in any case we would like to ask you to please have also a pdf version of your talk in case of problems, to ensure that it will run smoothly on all computers. You can use your own laptop upon request if you are available for a test before session starts. Please upload your presentation in the Indico timetable at least one day before your talk (if you are not able to upload the presentation please send it to the organizers: icnfp2015@gmail.com).

POSTER SESSION

The poster session will take place on Wednesday, August, 26th, 19:30-21:00 in the lobby of OAC. There will be 30 poster boards (they can be used on both sides, dimensions: 1.40x1.40m and 0.90x1.40m). The posters can be put on the boards during the day.

Abstract submission for posters will remain open for the time being. The poster presentations will be published in the proceedings of the conference after a peer review with the same length as the oral presentations of 15+5'. In addition a Honorary Committee will award the best poster author.

To further encourage participation a wine tasting party will be associated with the poster session. Note: We kindly ask all participants to bring a bottle of typical wine or another traditional beverage of their country to share it during the poster session. These bottles can be delivered either to the ICNFP or OAC registration desk at any time. For details please contact Andrey Seryakov: andrey.seryakov@cern.ch and CC to icnfp2015@gmail.com.

The poster session will be followed by the Opera Gala starting at 21.00 in the OAC Amphitheatre.

SOCIAL EVENTS

The list of social events can be found on the conference webpage in the following link:
<http://indico.cern.ch/event/344173/page/12>

For Social Events we advise formal dress code.

TRANSPORT

Bus transportation between [Chania](#) International Airport and hotels will be provided on [August, 22nd, 23rd, 30th and 31st](#). Participants will be met by organizers outside of the Chania airport with sign “[ICNFP2015](#)” (to the right of the exit, approx 100m). In addition the conference will organize bus transport between hotels and OAC every day. The conference bus for the transfer between hotels and OAC will serve only hotels in the region near to Kolymbari in direction Kolymbari - Chania.

The schedule of conference buses can be found on the main page of the conference <https://indico.cern.ch/event/344173/> in Materials/Buses schedule (bottom-right corner of the main page).

Please, fill as soon as possible the information of your confirmed hotel and dates of stay at the very end of your registration data under “FINAL HOTEL” as well as your needs for transportation (again at the end of your registration data).

This is important in particular in case if you need transportation from/to the airport, between hotel and OAC and participation in the social events.

Timetable including social events and transport will be placed in Materials/Buses schedule (bottom-right corner of the main page).

For the participants arriving not on [August, 22nd, 23rd](#) we advise to take taxi from airport to their hotel or buses from the Chania airport to Chania main bus station:
<http://bus-service-crete.com/timetabledet.php?line=32&lg=2> then from Chania to Kolymbari:
<http://bus-service-crete.com/timetabledet.php?line=3&lg=2> and from Kolymbari taxi to their hotel. Because it is difficult to find taxi in Kolymbari we advise to take taxi from airport or from the Chania main bus station to your hotel.

For the participants interested in [renting a car](#) we have negotiated special prices with Car Rental company PANCAR: www.pancar.gr; email: info@pancar.gr

Participants arriving in Herakleion which are interested to find other participants and organize to

take together a taxi or rental car to Kolymbari, can check the list of persons arriving in Herakleion on the main page of the conference <https://indico.cern.ch/event/344173/> in Materials/Buses schedule (bottom-right corner of the main page). The price of a taxi Herakleion-Kolymbari is about 220-250 EU (please ask the taxi driver).

There is a good bus connection (with air condition) between Heraklion and Chania, that can be found here: <http://bus-service-crete.com/timetabledet.php?line=1&lg=2>

Kiwitaxi.com is one of the good options for Heraklion-Kolymbari transportation for 160 Euro per trip. Special discount for **taxi** is offered by KOUMANDRAKIS IOANNIS giannisk1981@yahoo.gr Mobile: (0030) 6944338618, the rates are 55 Euro (Chania airport to OAC Kolymbari) (without discount it is 60-65 EURO).

MEALS

In order to calculate the numbers of meals which will be served in OAC we need the information of how many people would like to have lunches and/or dinners there. If you have not provided so far your input, we would kindly ask you to please fill the missing information in your registration form. For vegeterians: a large variety of truly vegeterian dishes is foreseen.

ACCOMMODATION

Participants which due to late registration or for whatever other reason have not yet a room in a hotel may contact the travel agency
EXODUS TRAVEL, KALAMAKI, NEAS KYDONIAS, CHANIA
TEL/FAX 003028210 29883
MANOS AKROTIRIANAKIS, SALES DEPARTMENT
E-MAIL info@exodustravel.gr
www.exodustravel.gr

Futhermore, you can contact directly the hotels in the conference webpage:

<http://indico.cern.ch/event/344173/page/6> or search for more hotels near OAC on the web, or using an online booking system like e.g. the: <http://www.booking.com/>

You can enter in the online booking system the name of the village of Kolymbari and of other villages around Kolymbari to see which hotels have free rooms in the dates of your stay.

You can find the names of the villages and names of some of the hotels at the end of the above mentioned item "[Accommodation](#)" in our webpage (e.g. names of villages and regions are: Kolymbari, Tavronitis, Kamisiana, Maleme, Platanias, Gerani, and other villages you may found yourself on a map). We recommend to choose the villages in the direction Chania - Kolymbari, if you need bus transport.

The location of all the hotels can be also found in the Google Map: <http://goo.gl/maps/Dxn4z>
