

4th International Conference on New Frontiers in Physics ICNFP2015

Wednesday 26 August 2015

Parallel 2: Top quark physics (15:25 - 17:25)

time	[id] title	presenter
15:25	[308] Top quark pair production measurements using the ATLAS detector at the LHC	BERTSCHE, Callie
15:45	[309] Beyond 2 Generations with CMS	ANAGNOSTOU, Georgios
16:05	[310] Single Top quark production cross section and properties using the ATLAS detector at the LHC	CHEGWIDDEN, Andrew Mc Rae
16:25	[312] Top quark pair properties using the ATLAS detector at the LHC	BARONE, Gaetano
